

Summary of the execution of the revenue and expenditure plan

November, 2021

Summary of the budget balances (01.2020 – 11.2021, % of GDP)

Note: Due to the launch of the SRS unified tax account, taxes for January-November 2021 are grouped by balances incompletely, so the separate basic special and local government budget data currently are not representative

Government consolidated balance (cash flow), % of GDP, cumulative values, end-of-period
