

#Knowledge

Published: 09.03.2021.

This section contains educational materials for public use. The Latvian version also contains three surveys: one on fiscal discipline for students and two for general public: on tax morale and on fiscal discipline, and a presentation that can be used as teaching material for high-school students.

In English there is video available for general use about fiscal discipline. [Video](#) with English subtitles.

Archive:

5 December 2017 [presentation](#) about the euro and fiscal discipline at the euro seminar in Warsaw.
